TOMBSTONE ARIZONA

VISITOR MAP

"The Town Too Tough to Die"

Welcome to Tombstone Arizona! The West's Most Famous Town!!

Tombstone is internationally known for its wild and turbulent history. Past residents of Tombstone like Wyatt Earp and "Doc" Holliday became legends after the gunfight near the O.K. Corral in October of 1881.

We invite you to walk the same streets that these and other legendary men and women of the American West walked. It is an encounter with history that you and your family can only get in "The Town Too Tough To Die."
